

Why Sponsor The Highwood Lions Music FESTIVAL?

1

To support the increased demand for performing arts opportunities

In 2023, our festival had 250 performances with 264 individual participants performing. Our 2024 festival will feature over 300 performances from over 450 participants! We're thrilled with this growth!

2

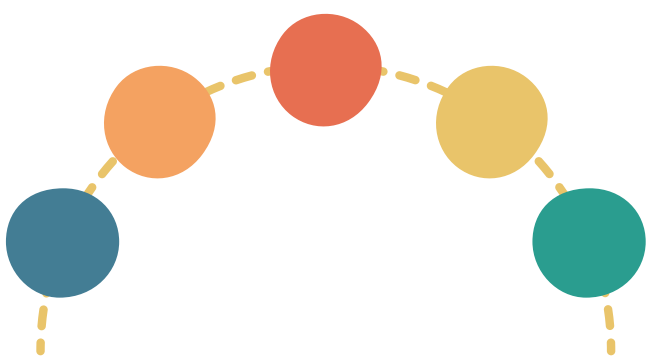

to keep high-quality music education affordable

We seek to keep our festival participation fees low so that all students can participate in the festival. Our registration fees only cover 30% of the cost of running the festival.

3

because our mission is contagious

The rich history of our festival in the Foothills causes our participants to enrich the lives of others too! Some of our current participants are taught by teachers who performed in the festival 20 years ago!

4

because the need is great

The growth of our local communities has created a large pool of young musicians. There are not many opportunities for young musicians to perform and receive both encouragement and education.

5

because music changes lives

Each year we see participants stand taller, sing more clearly, and grow in confidence and skill.

This can only happen with your support!
